WORK EXPERIENCE

Saint Luke's Health System, April 2017-Present
Administrative Assistant

Managed Epic Cadence workque for 8 months.

Designed job aids for the end users education.

Contributed to a 96% patient satisfaction score for 2017 Physical Therapy.

Saint Luke's Health System, June 2015-August-2015
Fellow

Hospital was in the midst of Go-Live when I was a intern. I considered myself a sponge to all things healthcare related, administrative and clinical.

Made myself aware of public and private insurance claims.

Bluford Healthcare Leadership Institute, May 2014-June 2014
Fellow

Minority scholars with exceptional leadership potential to today's challenging healthcare landscape.
